

Latham Home Sanitation

Partners in Recycling

Greetings from the City of Decatur and Latham Home Sanitation, your new recycling company!

We are so excited to introduce you to the new recycling providers who are focused on making the City of Decatur a greener city. Along with the new service come a few changes that will make recycling easier for you.

- **There is no need to separate your recyclables!** They will be separated at a recycling processing center upon delivery by us; therefore, you may put all of your recyclables into one bin.
- **We accept more plastics!** Plastics are marked with a number in a triangle, usually on the bottom of the container. We ACCEPT numbers “1” through “7”. Most household plastics fall into this category. We also accept plastic bags.

As your provider, Latham Home Sanitation, will be extending the highest quality of service to the residents of Decatur. **Eighteen gallon bins** will be provided for collection. We will **hand deliver** these bins to your house **free of charge**. For those customers who prefer a larger container, **95 gallon carts** may be purchased upon request for **\$68.00**. These carts will hold nearly five and a half times that of a regular recycling bin.

Curbside service will be provided to all residents. You must have your recycling bin or cart at the curb by **7:30 a.m.** on your **regularly scheduled collection day**. Unapproved materials will be left in or on the recycling bin.

In order to keep the recycling pick-up as efficient as possible, we urge residents to **please secure all items from being blown away**. Please **flatten all boxes and wash items clean** to ensure no trace of food waste is on the recyclables.

We ACCEPT:

- 👍 All aluminum items.
- 👍 All glass bottles and jars.
- 👍 All plastic containers labeled "1"-“7”.
- 👍 All paper products.
- 👍 Plastic bags.
- 👍 All cardboard items.

We DON'T accept:

- 👎 Styrofoam products without a recycling logo.
- 👎 Any item that has been contaminated with waste.
